EDITOR'S LETTER

Is it just me, or are the years rolling round quicker and quicker these days? I think there must be some sort of conspiracy – perhaps governments of the world have agreed to make each second a bit shorter so they can hoodwink us somehow. Anyway, yes, it really is 2014 now – that's Volume 49 in real money – and we reckon we're off to a flier this year. Check out Chloe, Emma and Charley to name but three good pieces of evidence that prove it!

NEW LISE LIFE!

Dear *Mayfair*,
The work's end of year party is infamous for all the inter-departmental fucking about that goes on between pissed staff members and this year, much to my delight, was no exception.

Our office had its do in a local bar – nothing fancy, just boozing – and by 10pm the place was swinging; pissed up salesmen groping the prettier members of the finance team and finding their amorous attentions lustfully reciprocated – the usual drill.

> SHE RAN HER HANDS DOWN MY BODY, FEELING MY HARD COCK THROUGH MY JEANS…

I noticed Lise, the receptionist, looking hot as ever, twirling around the dance floor and my eyes followed her. She was blonde, from Denmark, and fucking sexy. All the blokes at work were gagging to do her, including the entire board of directors, but no one had even had a sniff after two years of her working with us.

The evening went drunkenly by for a couple more hours then slowly wound down with those who had managed to pull slipping off for some hot, drunken action and those who were too drunk to even notice the bar was closing being ushered out into the streets and into auto pilot. A few of us, those of us who weren't mere weekend warriors, decided we needed an extra drink. Lise, who was still going strong, let out that she lived pretty close and graciously invited the lot of us back to hers for a few cocktails and the odd shooter.

The party carried on into the small hours, and I must admit that I was disappointed that I had not really managed to chat to Lise that much, let alone crack on to her, but we were all having a drink and a laugh so I didn't worry about it too much – at least no one else had their tongue buried down the back of her throat!

Come 2am, everyone else had sloped off home or to a makeshift bed. Realising that if it was going to happen, then tonight wasn't going to be the night, I thanked Lise for everything and told her I was just going to go to the toilet and I'd be off, too. But just as I was opening the bathroom door to leave, she pushed through and grabbed me by my waist, pushing her lips onto mine and kissing me passionately. I was mightily surprised but didn't let that stop me, letting her tongue explore my mouth in a long, hot and horny kiss. I moved my hands down to feel her sexy, firm body moving under her clothes, squeezing her arse before moving my

SEASONAL CHEER!

Dear *Mayfair*,
Well, we may not have had anything like as much of Tommie Jo in 2013 as we deserved, but I have to say you went a long way to making it up to us TJ fans with the set of her you featured in December. I know the Christmas set is a bit of a hackneyed tradition for top shelf mags (Hey – not so much of the 'hackneyed'! – The Ed.), but those pictures really were a fantastic treat with which to see out the old year. Let's have plenty more TJ in 2014, please, she looks just as good when she's not wearing a silly Santa costume, after all!
Will, Bedford.
Yes, thanks for that, Will – and all the other TJ fans who wrote in along similar lines. Just for that hackneyed crack I might just leave TJ out of Volume 49 altogether. Er, only kidding – I love her as much as you do! – The Ed.

hands up to unleash her gorgeous tits from her flimsy dress. I pushed her gently down onto her back and took one of her light pink nipples in my mouth. It stiffened between my teeth as she ran her hands down my body, feeling my rock hard cock through my jeans and squeezing it eagerly, tracing its shape with her fingers.

I rolled her dress down and off and, fuck me, she was wearing stockings and suspenders... Can you believe a man's cock can get any harder? With the dress off, I moved my attentions down, pressing my face against her pubic mound, inhaling her sweet animal smell and feeling her hot wetness through her silky white panties. As I dragged them down her legs I was hit by the second fantastic surprise of the night – a perfect white-blonde bush surrounding her pink, slim pussy lips. I just had to taste that pussy. I parted her flaps and drove my tongue deep inside her like a humming bird on a flower lapping at her nectar, before setting up a steady rhythm on her clit.

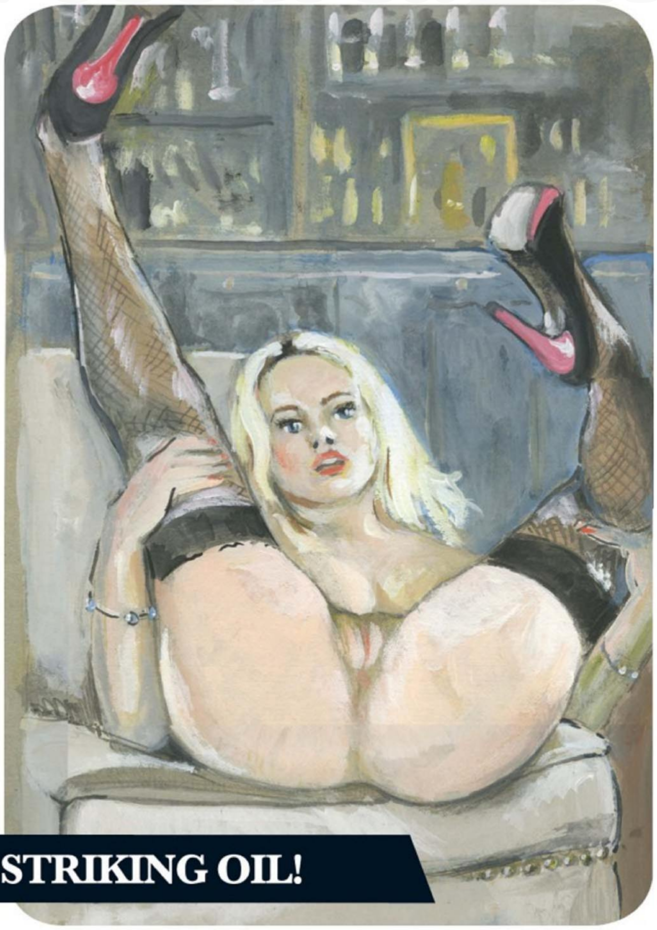
I could tell by her soft whimpering and how she opened her legs as far as she could that she was liking it, but she had other things in mind than just getting some head, pulling my up and scrabbling around at my fly. As a gentleman, I thought it only right that I help her out, so took down my trousers and guided her hand onto my stiff, throbbing prick. She slowly wanked my shaft, sizing me up, before pushing it down towards her ready lovehole. Placing a foot on each of my shoulders, she pulled me forwards and into her tight, hot, moist cunt.

I ground into her faster and faster as she moaned and bucked, rocking her head from side to side and gyrating her hips into mine. This was heavenly; I had to come, and I let go jets of hot spunk deep inside her wet, blonde pussy.

Before the night was over, I managed to do her twice more, including doggy style in the shower. The image of her fantastic arse bobbing up and down on my cock will be burned on my memory forever!

Needless to say, I couldn't keep my mouth shut the next day in the office. Shouldn't kiss and tell I suppose, but every other male in the place was jealous as fuck.

Martin, Birmingham.



STRIKING OIL!

Dear *Mayfair*,

Your wonderful models have inspired me to put brush to canvass again! I was particularly struck by Hannah in 78.11, so please find enclosed my painterly homage to the girl herself. As ever, if you could pass my offering onto the girl herself I'd greatly appreciate it!

Gabriel, London.

Wilco, Gabriel – we're sure she'll love it! – The Ed.

DOUBLE THE CUNNY

Dear *Mayfair*,

My girlfriend Karen and I have always been honest with each other about our sexuality – namely her being bisexual. I know it may not make much sense to some people, but I can handle her screwing around outside our relationship as long as I know it's only with women, and she lets me know what she's been up to. And as this honesty tends to entail her telling me about the girls she screws while she's playing with my cock, I'm not going to object to her doing it any time soon!

She's rarely ever brought anyone back home – and that's completely her decision – but now and again, if she meets a girl who's extra-special, she'll let me share in her fun. Sometimes she'll allow me to watch them get it on, but then other times, I get to join in. And that's exactly what happened the other Friday night. She went out clubbing straight from work, and by the time she got home, I was sat up in bed, reading. She came in all giggly, saying she'd really outdone herself this time. She had my undivided attention instantly and, rapt, I asked her to tell me more – no matter how tired I am after a week of work, my cock always leaps to attention when my missus comes home with a filthy story! Her hands threw back the duvet, before they deftly disappeared into my PJ bottoms, emerging again with my hard-on. Her hands were all over it when she took me completely by surprise, by calling, "OK, come in!"

> "SHE SLOWLY WANKED MY SHAFT BEFORE PUSHING IT DOWN TO HER READY LOVEHOLE..."

The bedroom door opened and this gorgeous girl walked in – and I mean gorgeous! The most beautiful face, a full bosom, with a tiny waist, my better half wasn't wrong when she'd told me she'd outdone herself this

A couple of months back our sister title *Men Only* featured a set of the delectable Chloe Toy, a fresh faced newbie from these shores, and quite frankly we were a bit put out that they secured the scoop! Well, here we are in 2014 and we've managed to even the score a bit by getting her in to shoot for *Mayfair* instead – but what's all this appearing in *Men Only* first, Chloe?!

"To be honest, I'm only 19, so any political difference between *Mayfair* and *Men Only* is lost on me! I was just chuffed to get onto the top shelf, and I guess that now I've appeared in both magazines everyone'll be satisfied!"

Hmm, playing the naïve card, eh? OK, well given that we've got your documents right here in front of us and you are a bit of a young 'un we'll let you off. And besides, when gorgeous young blondes like you come along, we really don't want to be falling out, do we? See you in a few months, hopefully…

Cher and Palin In Gay Feud Over "Cher Daughter-Bloke"

Two-hundred-and-nine-year-old foul-mouthed superstar Cher (who nevertheless doesn't look a day older than 60 – from the front) has officially declared war against "Pray-Away-The-Gay" campaigner and failed Republican vice presidential candidate, Sarah Palin, over Palin's eccentric views on homosexuality.

Hostilities began after the former Alaska governor, who became known as "Caribou Barbie", (and who, like Cher, is her own biggest fan) began telling gays that homosexuality could be "cured" by prayer, and lent her support to an anti-gay fast food chicken sandwich chain.

Cher is supposedly bent completely out of shape because her lesbian daughter Chastity, who has undergone sex change therapy to become a bearded bloke called "Chaz" with a prosthetic knob, used to be gay… and most likely because potty-mouthed ranting gets her far more attention than her musical efforts.

As one reporter described her ferocity, "enraged like a mother bear protecting her cub" – even though her child is no longer officially homosexual – Cher went berserk at Palin on an Internet site. "Go to the dictionary and look up the 'C' word," wrote the strange old songbird. "Next to the definition you'll see a pic of Sarah Palin!

"No wait," she added somewhat incomprehensibly, "she's under the 'DUMB C' word." That's one hell of a dictionary she's got there.

Sarah Palin is alleged to have vowed revenge on her fellow friutcake, and is said by aides to be planning to "slap down" the sixties pop crone in a nationwide multimedia revenge campaign. Breaths are bated...

Ominously, Michael Palin, of *Monty Python's Flying Circus* fame, has yet to break his silence concerning the escalating blood feud.

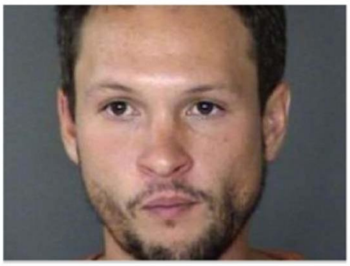
Sword-Wielding Man: "Give Me Free Tacos, Or Die!"

San Antonio resident Adam Kramer is in handcuffs and chains after threatening a server at a Mexican restaurant with a sword in a frantic attempt to obtain free tacos.

Police say at around 2.30 p.m. in the day, the 28-year-old Texan waltzed into Alondras De Jalisco and ordered six tacos. There seemed to be nothing out of the ordinary about him, and nobody appears to have noticed he was packing a sword. Then came the bombshell. Kramer informed the shocked waitress that he was going to get all six tasty tacos for free.

When the waitress informed him he was mistaken, Kramer slid a large sword out of a sheath hanging at his waist. He briefly left the restaurant to get something from this car, and then headed back toward the restaurant, at which point the waitress locked the door.

According to an affidavit obtained by the San Antonio Express-News: "Mr. Kramer was yelling that he wanted his free tacos or somebody was going to die."



Eventually the taco-deprived swordsman drove away… only to be arrested later the same day after allegedly trying to rob a gas station. Police say that, at the gas station, Kramer demanded $50 worth of gas and put his hand on "a weapon", but eventually changed his mind and just paid for $20 worth of gas instead.

With regard to the gas station incident he has been charged with aggravated robbery. We wish this dashing blade all the best at trial.

COMINGSOON

Oh Noah! You've Got To Be Kidding

Coming, whether we're ready or not – and whether or not anyone is interested – is a slew of films, most of which highlight Hollywood's increasingly staggering and blatant inspirational bankruptcy.

RUSSELL CROWE
NOAH
COMING SOON

He's portrayed the greatest fictional Roman Gladiator who never really lived, the equally fictional folk hero Robin Hood… and now (try not to sob) Russell Crowe IS the old bloke who built the Ark in the forthcoming alleged "historical thriller" NOAH. See rugged Russell and his son (Ham Logan Lerman), sorry, Ham (Logan Lerman) count the animals as they troop aboard two by two! Thrill to the sight of blokes sawing planks and rounding up wildlife in really small numbers and placing them in categories.

I'm sorry but I'm at a bit of a loss to get a handle on what sort of muggins Paramount Pictures imagines would wish to cross the street to see this sort of dismal pseudo-Biblical balderdash.

According to the press release the plotline is, unsurprisingly, as follows: "God is saddened at the wickedness of mankind and sends a great flood to destroy all life on Earth."

So will the waters ever subside? Will Noah, his family and the animals survive?

I'm afraid we'll all have to wait until March or April to find out.

In STRETCH, Patrick Wilson plays a stretch limo driver who has only one shift left to pay off a big debt. He's relieved when he picks up a reclusive billionaire (Chris Pine, the new Cap'n Kirk) with some deviant appetites and vows to fulfil his fare's every request to score the big tip that could square him. But as the night grows stranger and more dangerous, the driver worries that the freak in his back seat may just be his final fare.

Also, Ray Liotta's in it, so it may well be worth watching.

It's only been nine or 10 years since the last remake, so why should we be astonished to see a "reimagined" GODZILLA slated for a Spring release by Warner Bros. The biggest shock, to my mind, is the presence of Breaking Bad lead actor *Bryan Cranston* in the cast.

GODZILLA
MAY 2014

Directed by Gareth Edwards, the plot revolves around Godzilla (obviously) and a young marine played by Aaron Johnson, as well as introducing two new mega-monsters for Godzilla to spar with. Elizabeth Olsen, Juliette Binoche, Ken Watanabe and David Strathairn are also on board, Lord love 'em…

The Ride Me Transsexual and The Miniature Jerk Lady

Manufacturers of horrifying sex toys Sexflesh recently released the abominable "Ride Me Transsexual", a terrifying fleshy head and torso with tits and a rigor-mortis boner which will set you back over $520 – that's £320 or so to you, mate.

That's right: recalling the ghastly imagery in the horror flick *Boxing Helena* (but with added cock), the partial ladyboy-body doll has no arms or legs. Indeed some people who have bought the thing and reviewed it on Amazon.com are complaining that it doesn't even have a properly defined arse. Some people!

There is also dissatisfaction among purchasers over the manufacturers' claim that the Ride Me Transsexual boasts "three waiting love openings… tight, ribbed, and ready", when some buyers dispute that they can even locate one hole in the thing.

Other Amazon reviewers have been more generous. "First off the product is really what the image shows, make no mistake about it. The breasts feel almost like the real thing which is great. The penis is very realistic as well. But, there are cons, [and] here they are:

"It gets cold very fast which is kind of annoying, even when just out of a hot bath for example. Also the head will keep falling [off] on you whenever you hug it which is a pain as well."

Sexflesh has now surpassed even this obscene monstrosity with the release of "The Miniature Jerk Lady". This miniature silicone mould of a tied-up lady is a mere eight inches long, and sports a smaller version of their trademark starey dead lady sex toy face.

And yes, in case you were wondering, I though it was probably best to save this one until Christmas was over, lest the rush of orders on Amazon or some similar tax-dodging online retailer proved too much for the good souls at Sexflesh. Now, though, you can order away at will!

J J CONNOLLY: Layer Cake and Viva La Madness

J.J. Connolly is the writer of the brilliantly original and gripping crime novel *Layer Cake*, and of the screenplay of the film based on it – a commercial and critical success which starred Daniel Craig. It was, as it turned out, the platform which gave Craig his final push into worldwide stardom.

Now almost a decade later, Connolly has released his print sequel, *Viva La Madness*, which takes Layer Cake's anonymous London Underworld drug-dealing hero into the realm of international crime, involving trans-Atlantic drug deals, money laundering and high-tech electronic fraud, all described with the same uncanny believability, and delivered, as previously, with the author's hallmark razor-sharp dialogue and startling bursts of violence.

In November last year Jason Statham signed up for the forthcoming screen version of *Viva La Madness* to play the role of the character Craig portrayed, who now goes from living the high-life in the Caribbean to a dangerous existence in London. With Venezuelan drug cartel thugs toting machine-guns in Mayfair, the story moves in distinctly cinematic fashion from violence and farce to criminal insanity.

"When I read I make myself a film in my head," says Connolly. "It's the writer's job to make that process as easy as possible – so readers are almost eavesdropping these people, seeing the locations, smelling the coffee. *Viva la Madness* flows like a film. And has snap edits like a film. There's a lot of "cut to" involved. Lots of flashback and different aspects of the same story told from different points of view. It has captions and timelines. Writers nowadays have borrowed these techniques from film…

"I'm always getting guys coming up to me and telling me that a character from *Layer Cake* is really based on their mate, or brother, or uncle or someone… and then asking me how I know him. I ask them how their pal or Uncle what's-his-face feels about being portrayed as a psychopathic lunatic and they always tell me 'He fucking loves it! He's fucking made up! Fucking buzzing!'"

"You're born, you take shit. You get out in the world, you take more shit. You climb a little higher, you take less shit. Till one day you're up in the rarefied atmosphere and You've forgotten what shit even looks like. Welcome to the Layer Cake son."

PRP Awards 2013!

Here at Paul Raymond we love a good knees-up almost as much as a good knees-apart, so once the votes were in for the various awards we had up for grabs this year, what else was there to do but head to London's swanky Spearmint Rhino Club to dish out the awards themselves. We should all be aware that the highly prestigious Mayfair Covergirl of the Year award was snaffled by **Emma Green**, who looked pretty damned chuffed about the whole thing as she picked up her prize from a Keith Leon impersonator who was almost certainly no less funny than the original item. Other winners on the night included **Jenny Laird**, who bagged the Club International Covergirl of the Year gong, **Sam Bentley**, who was crowned Best British Model and Female performer of the Year, and **Tanya Tate**, who's well on her way to making MILF of the Year her very own personal prize! Talk about a toppermost night – we can hardly wait for next year's already!

Golf - it's not for everyone, we'd be the first to admit. There's lots of expensive equipment to get before you start, and lots of people find all that dicking around in stupid trousers and sweaters more than flesh and blood can stand. On the other hand what could be nicer than knocking a little white ball into a hole on a nice sunny afternoon? So it's a bit of a tough call, really – unless you happen to have the superbly pneumatic Charlie Atwell at hand to drive your buggy around for you while you scratch around churning up divots and dropping shots left, right and centre.

"Here, you're not dropping any shots on me, thank you very much!" the girl herself objects.

Well, we'd love to card a birdie – we're sure it won't take us too many strokes…

Yes, of course it's the latter; exercise regime! Settling down! Ha, we know you so well!

Roth Sub Zero II £150

Editor's PICK

Watching movies on a big fuck-off TV is all well and good, but unless you have big fuck-off sound to go along with it you may as well just turn the volume off altogether and watch in silence like an overgrown petulant child. However, unless you have cash-filled pockets more capacious than Katie Price's battered beaver and more room to spare than a particularly unpopular Time Lord, there's an excellent chance you can't arm yourself with a full 5.1 speaker system with which to bring your sound to life. Well, chum, you're in luck, because Roth has taken the 5.1 system, stomped its face until barely recognisable, and then offered it out at a price that most can afford: the Sub Zero II.

> "Roth has taken the 5.1 system and stomped on its face until it's barely recognisable..."

An underscreen-sitting speaker-array soundbar that pumps out some 60W of sonorous sex, the Subby uses a Class D amplifier to bang out the bass effects, whilst separate DSP (Digital Sound Processing) algorithms look after the subtleties of speech and music and allow for crystal clear delivery.

Plus, chuck in the latest aptX and A2DP Bluetooth tech and you're not just restricted to wired playback either, but also from any 'toothed up portable device too. How cool is that? Sub Zero. Get it? Oh fuck off then!

Archos 40 Titanium £100

A smartphone for under £100? It's got to be a steaming pile of semi-smart shit, hasn't it? If Apple's cheapest iThing kicks off at £470, how can a smartphone at less than a quarter of the price be as good? Well, obviously, it's can't. But, damn it, man, just listen…

Feeling relatively well-built, the Archos runs on the Android OS (Jelly Bean), is powered by a reasonable 1.3GHz dual-core processor which more than amply handles all the expected antics and even the likes to HD video without any discernible lag, comes with just 4GB of internal memory, but which is expandable to 32GB via microSD card, Bluetooth 3.0, GPS and, coolest of all, dual SIM slots to let owner flip between carriers.

All of which, even Apple wank-snobs would have to admit, is hugely impressive for a smartphone that costs so pifflingly little and, having spent a week toying with the Titanium, being impressed by its rapidly responsive touchscreen, vibrant display colours and even the software settings of its 5-megapixel camera, I can confirm that the Archos is where the smart money is for budget smartphones.

Oh, like the dear old Model-T it's only available in black. So those seeking a smartphone the colour of alcopop-drinker's sick will have to stick with Apple for now.

Advent Vega Tegra NOTE 7 £180

Like a randy Usain Bolt, tablet computers continue to come on apace, but this latest sub-200 smacker Android option from Advent really is something else. Easily competing with the massively more expensive Samsung options, the 7-inch Vega Tegra is light, solidly built and comes packing some serious power. Alongside the cunningly conceived sculpted stylus that slots in the back and the front-facing stereo speakers that actually make sound sound like sound, the NOTE 7 has a full HD (1280 x 800) LCD display, 1GB of RAM, a 16GB hard drive and – wait for it – an NVIDIA Tegra 4 quad-core processor for pure power.

Running on Android Jelly Bean and packed with Bluetooth 4.0, all flavours of Wi-Fi, a 5-megapixel rear HDR camera and 2-megapixel front-facer, micro USB and micro HDMI slots, and NVIDIA PureAudio, the NOTE 7 is nothing short of 7-inches of pure tablet pleasure that will delight and amaze anyone's hand you pop it into. And, ask yourself, when has that ever sincerely happened before? You know, sincerely?

Gyration Air Mouse Elite £50

Have you ever wanted to stand there like some kind of wireless wizard, commanding completely unattached control of your computer simply by waving some wand-like wotnot about?

Well now you can do just that, thus making your sad life complete, with the Gyration Air Mouse Elite.

Linking up to your PC or Mac via a bundled Bluetooth dongle, the Elite has a range of 30-feet and allows wirefree desktop control or – and this is the good bit – air-control, thanks to built-in gyroscopes and special MotionSense software that lets you wave your hand around like some over-excitable Italian miming an air show, but all the time giving you painfully precise control over what the cursor is doing on your computer screen from way back across the room.

OK, this is primarily the stuff of presentations in the boardroom, but with ever more games being mouse-controlled these days, it also serves as a more free and easy way to enjoy these. You'll still look like an overly animated arsehole using it, but no more so than you would using a Wii-remote or any of the increasingly omnipresent gesture-controlled TVs and game consoles. Which brings us back to the Italians – how do they watch anything without constantly changing channel and volume levels by accident? Straightjackets, perhaps.

Simple Audio Go £80

Got a desktop? Got a smartphone crammed full of creamy music treats? Tried to get the two to interact by smashing one against the other only to end up with tears and insurance claims? You need the Go from Simple Audio! Originally to be called the 'Shit Off", this wireless desktop music box hooks up with any old device like the cheap slag it is using top-notch A2DP Bluetooth 3.0 and uses its stereo speakers and separate bass reinforcing driver to not-literally fuck your ears gently with enhanced audio, driving it in there, deep into your aural canal for up to eight hours at a time from a full burst of the rechargeable battery.

And now just a musical thing either, no sireee bob, thanks to a built-in microphone you can even enjoy quality speakerphone calls too; well, 'enjoy' so long as it's not a call from the bank informing you that you are a billion pounds overdrawn due to that Nigerian email scam you fell for, or indeed, a call from the police informing you that your entire family has been wiped out in, say, a terrier atrocity at some dog show. Then again, at least you'll get the bad news in crystal clear clarity! Swings, roundabouts.

GIRL OF THE YEAR

Sometimes it feels like pretty well everybody is demanding your vote these days – karaoke warblers on *The X-Factor*, semi-famous anus-munchers on *I'm A Celebrity* and hoofers on *Strictly Come Dancing*… surely it can only be a matter of time before Huw Edwards is reeling off a long list of premium rate lines and asking us to vote what we want to news to be. Still, it's very important to exercise your democratic right and vote – not in anything so tiresome as elections, mind, because practically every seat in the country is safe anyway, irrespective of who you vote for – but in something that's far more important to the nation – Mayfair's über-prestigious Girl of The Year! Here are some suggestions of girls you might want to vote for, but of course you can choose any three girls who've appeared in the mag this last twelvemonth, and if your top 3 match the overall winners, you could win a goodybag full of grot.

time! Karen introduced her as Jodie and remarked if I thought she looked good, I should wait until I got a taste of her pussy! Upon hearing that, I was hoping that I'd be involved from the off, but the girls seemed really caught up in each other, kissing passionately as their hands explored each other's curves and stripped off their clothing. I reckoned they'd probably want me to sort myself out, so I reached down for my cock – only for Karen to brush it away and say they'd take care of me in a moment.

> **"JODIE MOVED HER HIPS AROUND, SIGHING AS KAREN SLIPPED THE TOY IN DEEPER."**

Now I didn't dare touch it without permission, although watching them together had much the same effect, if marginally slower. As they lay down at the foot of the bed and began getting intimate, my stiffy got harder and ached for some action, but when Jodie moved position and they began sucking on each other's pussies, I happily settled back to watch the show.

I think the definition of sexy, when it comes to girl-on-girl, is the sixty-nine. Nothing else they can do to each other turns me on more. And seeing Jodie's golden body stretched out over my girlfriend's was the ultimate. Slurping and moaning away at each other, it was almost as if I wasn't there – although I knew Karen had one eye on me at all times, and if I dared to try to have a sneaky wank, she'd tell me off! Every so often, though, one – or even both of them – would make eye contact, and when that happened, it was all I could do not to lose my load!

Now Karen asked me to pass her vibrator from the bedside drawer, and Jodie assumed the position, with her arse directly in my line of sight. Karen didn't mess around – she switched the vibrator on full, and played the very tip of it lightly up and down Jodie's slit, pressing just a tiny bit harder as it moved over her clit. Already juiced up and puffy from her licking, Jodie moved her hips around, sighing as Karen slipped the toy in deeper. Then, as Karen started to fuck her with it, she bowed her head and took long licks of Jodie's clit again, using her tongue on it to the same rhythm as her strokes.

It was obvious Jodie was close to coming. Her body thrashed about on the bed, suddenly stiffened and arched, and then trembled as she came, her moans building up to screams and squeals of pleasure. I saw her body buck once more as Karen pulled the vibrator from her juicy snatch. Upon removing it from Jodie, Karen sucked it clean and used it to frig herself to an almost immediate orgasm. My prick was throbbing now, almost painful, but still I didn't dare to touch myself. And I'm glad I didn't; the girls still had plans for me!

Jodie had beautiful long black hair, and she crouched over me so her face was above my crotch. Then she shook her head from side to side, so her locks brushed against my hard-on, sending the most intense waves of pleasure throughout my body. It was a new one on me! Watching her, I couldn't quite believe my luck – it was hard to believe that just over an hour previously, I'd been tucked up, ready to sleep! Horny and kinky though this was, it wasn't going to get me off, but I didn't have long to wait.

After a few minutes, Karen moved up the bed and, as the two girls lay down either side of me, they each started licking and kissing my shaft. As they got more passionate and sloppy, it felt like they were French-kissing around my prick; I closed my eyes, lolled my head back and let the bliss of the whole situation envelop me. Then, suddenly, Jodie took my helmet in her mouth, and Karen headed down towards my balls, taking them in her mouth. Either sensation would have felt incredible alone, but having both done at the same time just blew my mind – and every nerve in my crotch. Karen could obviously feel my nuts seize up, because she licked her way up my shaft to my helmet, making it just in time for me to catch her in the face with my creamy wad as I shot my load in the direction of Jodie's waiting mouth. Jodie collected it in her mouth, and the girls shared a spunky kiss – something I'll never forget the sight of.

Karen never goes with the same girl more than once so we won't be having a repeat performance with Jodie, however I can't wait for the next horny experience my filthy girlfriend decides to share with me!

Allan, Crewe.

BIG JAS HAND!

Dear *Mayfair*,

What a fantastic selection of babes you gave us in your last issue of 2013 – it was wonderful to see the ever-elegant Jasmine back again for starters! As far as I can work out she's only modelled fitfully, so it was great to see her back in the pages of my favourite magazine showing off that supermodel's physique of hers (not to mention her pussy!). Sophia Knight, Holly Gibbons, Tommie Jo and the delectable Dani Maye have got to be some of the finest models in the land at the moment, and then to round things off with the stupendous Mia was a masterstroke – especially in that girdle.

All the best for 2014 – if you can keep this standard up I'll be one very happy reader indeed!

Alex, Colchester.

JODIE

Age: 21 **Vital Stats:** 33E-24-32 5'3"
Photographer: Twistys

By our reckoning it's been nigh on five months since we first featured the curvaceous charms of Yorkshire lass Jodie, which now that we come to feast our eyes upon her again is a tad too long, frankly. And while last time we were rather fixated with her magnificent boobs, this time round it's her luscious labia that have got us hooked!

"Yes, a lot of guys seem to get hung up on my love lips!" she confides. "I never really noticed them myself until my first boyfriend went down on me. He stayed down there for ages, when all I wanted him to do was screw me. In the end I had to grab him by he ears and pull him back up again so we could fuck!"

Well, we can't really blame him for lingering downstairs – chance would be a fine thing!

GENTLEMEN, That Reminds Me

Well this is the best we could muster, but if you think you can do any better, email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 23 Lyon Road, Hersham, Surrey, KT12 3PU.

For more than three centuries, two heroic statues, one male and one female, have stood facing one other in an Italian park. Until one day an angel comes down from heaven.

"You've been such exemplary statues," he announces to them, more than likely addressing them in Italian – either that or Latin – "that I'm going to give you a special gift. I'm going to bring you both to life for 30 minutes, in which you can do anything you want." And with that, the angel brings the two statues to life.

The giant male and female sculptures approaches each other rather shyly, but soon dash into the bushes, and soon the angel hears a great deal of giggling, laughter, and sees the wild shaking of branches. Fifteen minutes later, the two statues emerge from the bushes, wide grins on their faces.

"You still have another quarter of an hour," the angel reminds them with a wink.

Grinning even more widely, the female statue turns to the male statue and cries: "Great! Only this time you hold the fucking pigeons down and I'll crap on their heads."

Mike walks into his local bar and sees Pat sitting at the end of the bar with a great big smile on his face. Mike asks: "Pat, what are you lookin' so happy for?"

"Well Mike, I gotta tell ya. Yesterday I was out waxin' my boat, just waxin' my boat, and a redhead came up to me… Tits out to here, Mike. Tits out to here! She says: 'Can I have a ride in your boat?'

"I said: 'Sure you can have a ride in my boat.' So I took her way out, Mike. Way out 'til we couldn't see land. Then I turned off the engine and I told her: 'It's either screw or swim!' And guess what! She couldn't swim, Mike...! She couldn't swim!"

The next day Mike walks into the bar and sees Pat sitting with a even bigger smile on his face. Mike says, "What are you happy about today Pat?"

"Well Mike.... I gotta tell ya... Yesterday I was out waxin' my boat, just waxin' my boat and a BEAUTIFUL blonde sashays up to me... She had tits out to here, Mike. Tits out to here! She says: 'Can I have a ride in your boat?'

"I told her: 'Sure you can have a ride in my boat.' So I took her way out, Mike. Way out much further than I took the last one. I turned off the engine, and I said: 'Well now: it's either screw or swim!' She couldn't swim, Mike! She couldn't swim!"

A couple of days pass and Mike walks into his local and sees Pat down the end of the bar sobbing into a beer. Mike says, "Pat, what's made you so sad?"

"Well Mike, I gotta tell ya.... Yesterday I was out waxin' my boat, just waxin' my boat, and the most INCREDIBLE brunette came up to me... tits WAY out to here, Mike. Tits WAY out to here. She asks: 'Can I have a ride in your boat?'

"So I said, 'Sure you can have a ride in my boat.' So I took her way out, Mike, way WAY out... much, much further than the last two. I turned off the engine, and looked at those fabulous tits and I laid it out for her: 'It's either screw or swim!'

She smiled, snatched the ignition key from my hand and dropped her panties, Mike and... Oh God! She had a pecker, Mike! She had this damn GIGANTIC pecker! ...And I can't swim Mike! I can't swim!"

While trying to escape through Pakistan, Osama Bin Laden found a bottle on the sand and picked it up. Suddenly a female genie rises from the bottle, bows to Bin Laden, and with a smile asks: "Master, may I grant you one wish?"

Osama does his nut, "You ignorant, unworthy daughter-of-a-dog! Who are you to speak to me?! Don't you know who I am?" he snarls "Besides, I do not need a common woman to give me anything."

The shocked genie insists, "Please, Master – I must grant everyone who opens my bottle a wish, or I will be imprisoned in the bottle forever."

Osama thinks for a moment, grumbling about the impertinence of the woman. Finally, he tells the genie, "Very well! I wish to awaken with three American women in my bed in the morning! So just make it happen and be off with you before I beat you with this stick." The annoyed genie says, "So be it!" and disappears.

The next morning Bin Laden wakes up in a sumptuous four-poster bed with Lorena Bobbitt, Tonya Harding, and Hillary Clinton next to him. His penis is missing, his knees are broken, and he has no health insurance.

Every year guy guy enters the lottery for the brand new truck at the country fair and every year he loses. So this year, he tells his pal, he just isn't going to bother entering.

"What kind of attitude is that?" his mate asks. "All you need is Faith! Look around and see – The Good Lord may send you a message."

But strolling around the fair later in the day, the guy grows more and more despondent as the time for the truck lottery draw nears. Nothing strikes him. There's no divinely inspired clue– no sign from God whatsoever.

Finally, while he's passing old Mrs McGinty's pie stand, he glances over and sees the fat woman bending down. She isn't wearing any knickers, and suddenly her arse begins to glow with an unearthly light. The next instant a huge finger of flame seems to jab down through the clouds and without her even knowing it, etches a seven on each of her big wobbly buttocks.

Giving thanks to God as he runs, the guy rushes to the raffle booth and plays the number 77.

A few minutes later, the draw is held. And once again, the guy loses.

The winning number was 707.

MASTER MINDER!

Porsche continue to branch out away from sports cars, although this one still packs a hefty punch...

Porsche is widely regarded as the manufacturer of the finest sports cars in the world. From the brilliant sub-£50,000 Boxster and Cayman to the benchmark 911 supercar and the groundbreaking 918 Spyder hybrid hypercar, the brand has a product for the most demanding drivers.

But delivering such masterpieces of engineering doesn't come cheap – so it's a good job that the motoring 'masses' are choosing SUVs these days. The Cayenne has proven a huge hit for Porsche, with over 70,000 finding homes last year. These enormous volumes have funded the development of some of the greatest cars in Porsche's history – there's no way the £537,000 petrol-electric 918 could ever have made it off the drawing board otherwise.

Porsche isn't resting on its laurels with the Cayenne, though. Sales of smaller, cheaper compact SUVs have gone through the roof in the past couple of years, so the brand is set to tap into this rich seam of revenue with its new Macan. And while the name conjures up images of Dennis Waterman's Terry in *Minder*, not even a stupid badge is likely to stop this car being a smash hit.

Even though the Macan sits below the Cayenne in the range, it isn't cheap – prices start from £43,300, with order books open now ahead of first deliveries in April. That's Boxster money, and the new car is sure to do to the small SUV class what the roadster did for sports cars. It'll put Porsche ownership within reach of a legion of new buyers, and each will benefit from the purposeful styling that brings.

The car is wider and rides lower to the road than most compact SUVs, hinting at the potential under the skin, while Porsche designers have done their usual thing of combining round lines with strategically placed sharp edges. There are also touches of the 911 in the side view of the window and the sloping roofline at the back, and in the profile of the rear wheelarches. Cues have been taken from the radical 918 Spyder, too – the shape of the headlights is unmistakable, as are the side blades at the bottom of the doors. Yet irrespective of where it takes its influence from, the Macan has a muscular and aggressive presence on the road.

> "THIS CAR WILL SET NEW STANDARDS FOR FUN AND AGILITY ON THE ROAD…"

This fits with Porsche's claim that this car is the sportiest and most dynamic compact SUV money can buy – and the technology under the skin will help the brand deliver. The Macan is loosely based on the Audi Q5, so it shares that car's aluminium chassis. But Porsche offers three suspension set-ups on the car: the standard steel springs, a combination of steel springs and the PASM adaptive dampers (with Comfort, Sport and Sport Plus modes) and a full air-suspension system, which includes self-levelling, height adjustment and PASM. The air springs are a first in this class, and promise the optimum in handling, comfort and off-road ability.

No matter which you choose, this car will set new standards for fun and agility on the road. Porsche's DNA will drip down to ensure the steering is precise and that you feel exactly what's going on through the seat of your pants. Plus, the performance on offer is mindblowing, whether you go for one of the twin-turbo petrol models – the Macan S has a 340bhp 3.0-litre engine and

the Macan Turbo gets a 400bhp 3.6-litre – or the Macan S Diesel, with its 258bhp 3.0-litre turbo. The 0-62mph sprint takes as little as 4.6 seconds in the range-topping Macan Turbo, while all models promise impressive efficiency – helped by the fact that the standard PDK double-clutch gearbox is automatically decoupled to cut the revs when the car is coasting. The diesel is obviously the greenest Macan, claiming up to 46.3mpg fuel economy and CO2 emissions as low as 159g/km.

These are amazing figures considering the performance potential, and they're even more impressive given that every Macan comes with four-wheel drive. Not just any old four-wheel drive. The transmission is hooked up to Porsche's traction management system to maximise grip in all conditions. This set-up detects slip in a fraction of a second, and sends torque where it's needed most before the driver notices. There's also an off-road mode, which switches all the settings to optimise traction for tricky terrain. On Macans with air-suspension, this also raises the ride height by 40mm. The net result is a car that can cope with most situations.

The new experience this Porsche will have to cope with is being a common sight on and off the road. The company's Leipzig factory in eastern Germany is geared up to produce 50,000 Macans a year, and we don't expect supply to keep up with demand. For a company that was still a niche player not so long ago to be talking about such huge volumes is some feat. Plenty of brand obsessives still look back fondly at a time when a Porsche was for a select, wealthy few. But look where exclusivity has got Lotus. And crucially, the Macan is not only set to fund another generation of truly brilliant sports cars; it's a fine car in its own right.

"THE 0-62MPH SPRINT TAKES AS LITTLE AS 4.6 SECONDS IN THE RANGE-TOPPING MACAN TURBO..."

She bagged our prestigious covergirl of the year award for 2013, so what better way to reward Welsh lovely Emma Green than by whisking her off to a haunted house in the countryside for another exclusive shoot?!

"Ooh, it's not really haunted, is it?" she asked, and suddenly the whole shoot appeared to be in jeopardy as the curvy babe grew doubtful about peeling off in the presence of the paranormal.

We assured her that no, it wasn't really haunted – only some sort of bumkin would believe there really were ghosts who liked to hang around in the hallways of a country inn when they could be playing the harp and larking around in heaven. And besides, we were desperate for her to start taking her clothes off for us!

Hmm, how many other metaphysical arguments could be settled simple by getting a gorgeous babe to undress, we wonder. Probably all of them, frankly…

CHELSEA

Age: 26 **Vital Stats:** 32B-27-34 5'5"
Photographer: BB Media

While we're in no way averse to a bit of blousy fun here at *Mayfair*, we've also got a soft spot for a touch of elegance, and that's just where London lovely Chelsea hits the spot! Quite frankly we can't help thinking that she'd be more at home flouncing around on a catwalk than fiddling with her flange for us, but we're ever so grateful to her for going with the top shelf option!

"I thought about doing fashion modelling," she admits, "but it was all so catty! At least with adult stuff everyone has a bit more fun and gets along better!"

Well amen to that – sod those catty catwalk models, we'd much rather have a bit of fun with Chelsea!

SABRINA

Age: 26 **Vital Stats:** 34DD-25-35 5'4"
Photographer: Twistys

It's been a good while since we last featured the delectable Sabrina Maree, and it's almost like she's chiding us for having let so much time slip with the decor of this set! OK, so from now on we promise to make a bit more time for her, and to clock her wonderful bod whenever we get the chance!

"I'm not really having a go!" she insists, "but I've always had a thing for clocks and it's also a good way to make sure you don't accidentally flip any pictures of me just to make laying out a bit easier!"

Honestly – fancy suggesting we'd flip a picture just for the sake of convenience! We're far too conscientious here at *Mayfair* to do a thing like that. And besides, when we do flip a picture, it's invariably by accident.

QUEST…

It's a time of year to try new things and look forward, and these three ladies recall when they tried new things, the dirty things!

Name: **BECCI**
Age: **23**
From: **LEICESTER**

Last New Year's Eve was pretty terrible for me; I split up with my boyfriend the day before and was expected to go to a party thrown by a relative, so when the 1st of January finally arrived I wanted nothing more than a friend's shoulder. My friend, Tracy, and I decided to get a few bottles of wine and a Chinese take-away and just chill in front of a movie. The DVD we settled on was *Black Swan* and I was really enjoying it, but when Mila Kunis and Natalie Portman get all steamy with each other, I started to shift in my seat a little. I felt really self-conscious. I've never had fantasies about another girl before, maybe it was the wine or maybe it was the fact that both of us were sat next to each other in silence watching two girls go for it with each other, but my heart started to thump in my chest and for a moment, I wondered if Tracy could actually hear it.

As my mind wandered, I tried to imagine what it would be like to slide my tongue into another girl's mouth, let alone pussy. I loved oral sex, and the thought of performing it was suddenly overpowering to me. The more I considered it, the hornier I got until I could feel myself getting all wet and tingly.

"I read somewhere that cunnilingus performed by another girl is meant to be amazing," Tracy said. "Because they know how it feels on each other better than men."

My heart thumped in my chest and I knew what she was getting at. "Really?" I replied, trying to sound cool. There were a few moments of awkward silence before I suddenly heard myself asking, "Have you ever done it then?" Tracy said she hadn't so I asked her if she'd ever be tempted. "Depends who was doing it," she said, fixing me straight in the eyes. "What if it was me? Err, hypothetically, of course!" I spluttered, remembering myself. Tracy stayed silent for a moment longer before telling me that she would definitely let me – hypothetically, of course. We stayed still for a second, before turning and snogging the faces off each other! Even though it was me doing it, it still caught me by surprise! It was such a turn-on; her lips were so full and soft, her skin so smooth – no stubble, here! – and she smelled amazing! She ran her hands over my boobs and my pussy felt like it would explode!

I knew the wine had definitely gone to my head, as I felt confident and sexy – and forward. I would never have done anything like this sober, nor what I did next. Sliding off the sofa, I crawled between her legs and pushed them open. Tracy's skirt rode up as she pushed herself towards me, exposing the wiry mound beneath her blue thong. I stared at it for an age before running the palm of my hand over it, making her tremble a little. Her fanny felt hot and hard beneath my hand and I started massaging my fingers into it causing Tracy to moan.

"Lick me," Tracy whispered. "Use your mouth." Before I knew it, she'd pushed herself up, whipped her knickers off and flopped back down in her seat to reveal a dark, neatly trimmed bush. I saw her puffy pink lips parting slightly ready for my tongue. I felt the heat rising into my face, barely an inch from her pussy and examined every inch, before closing my eyes and dipping my tongue towards her snatch. The slightly salty taste that enveloped my tongue was different from my own pussy, which I'd tasted many times, and soon my face was buried between her legs.

> "I'D NEVER SEEN A GIRL SQUIRT, BUT HER JUICES SPLASHED ALL OVER ME…"

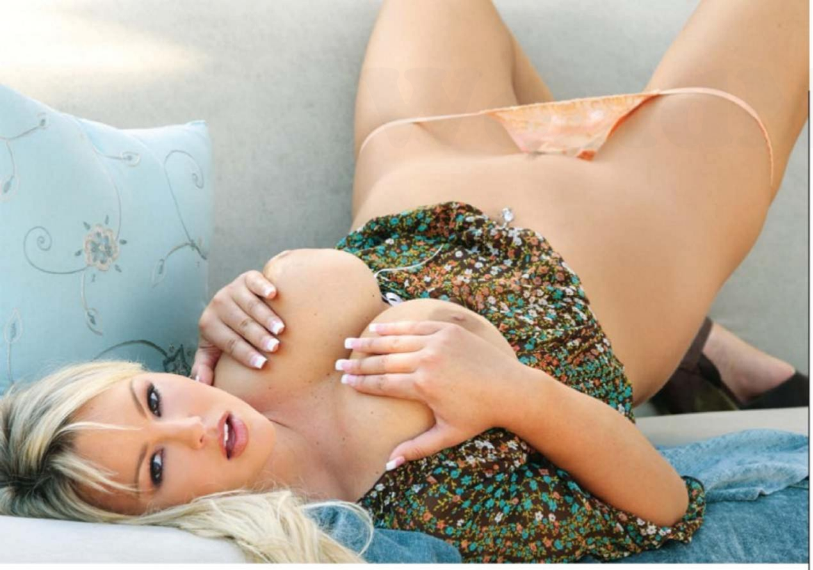
At first I pushed my tongue as far as I could inside her tunnel, then started exploring every inch of her sticky, wet entrance. My pussy throbbed and I had to let go of one of her legs to see to myself, masturbating vigorously as I lapped at my friend's hole. I've always liked anal sex, especially when a man rims me first, so I decided to see if my friend was the same way inclined and snaked my tongue out of her snatch and prodded her puckered hole with my tip. Tracy jumped in her seat and pushed herself back against my face even harder, lifting her legs to give me better access until I'd worked most of my tongue into her delicious arsehole.

"Oh Christ! Oh Christ!" she whimpered as I fucked her arse with my tongue and worked her clit with my nose until she let out an almighty grunt and suddenly squirted all over me. I'd never seen a girl squirt before but her juices splashed all over me, coating my mouth and tongue. I licked up what I could, bringing her off again almost immediately before she told me to stop.

"Come on, let me suck your pussy now," she begged me, so I pulled off my knickers, climbed up on the sofa and squatted over her face, giving her open access to both holes. I hoped she'd do to me everything I'd done to her and almost shrieked when I felt her mouth clamp over my quivering quim.

Tracy did start gently like I had, and gnawed on my swollen fanny like she was starving. "Fuck my arse," I told her. "Fuck my arse!" and was rewarded when felt two slippery fingers push their way inside my bum all the way up to the knuckles. The smell of sex filled the room and I was shaking with filthy lust as I ground my cunt into Tracy's face and orgasmed all over her. I didn't squirt, like she had, but there was still plenty of juice to cover her with.

We spent the rest of the night ridding ourselves of all our pent-up frustrations until



the morning when we were truly spent, and we've been seeing each other regularly ever since. I'm not one for New Year's resolutions, but I do like the saying, 'out with the old, and in with the new'!

A couple of nights ago I got together with a few of my closest girlfriends, and after more than a few too many bottles of beer we got around to talking about our first times having sex.

Hearing about the others' adventures made me remember just how exciting my first time was; in fact it was one of the most memorable days of my life. Because unlike my friends I did not have a teen fumble with a boy from school or even from my hometown. My first time was with someone from up North whom I had never met before that day.

I was about 18 and a half. Martin and I had met online and we'd been exchanging emails for about five months before our meeting.

I told my folks I was going to visit a girlfriend from art college for the weekend and took a train to the city where Martin lived, about 120 miles away. We met on the railway station platform and immediately I could feel the electricity between us. He was everything I'd hoped for and more and I had no qualms about going straight home with him. He was three years older and had a job and a one-bedroom flat.

Once we got to his place, we went through the usual rigmarole of getting comfortable, but that was easy because we had spent so much time together online. One of the things we had talked about most often was my desire to lose my virginity. At first Martin had teased me, thinking I was joking. When he realised I wasn't, we started talking about him being the one to pop my cherry.

Name: JEAN
Age: 32
From: BRISTOL

It was Martin who insisted that we do it properly, and he had bought some beautiful scented candles for the bedroom and some water-based lubricant in case I was too tight. But even though I felt I knew him I was still terribly nervous.

Martin was sensitive, even undressing first so I could get used to seeing him naked. I sat on the bed watching him as he stripped. I had already seen a couple of naked pics of him and in return I had sent some of me. However, the real deal was something else and I am sure my mouth dropped open when I saw the prodigious size of his erect cock.

He encouraged me to hold it for a while and even showed me how to wank it so that he got the maximum pleasure from my touch. It was extremely arousing to manipulate his cock, and I was glad he gave me time to play with it while showing me how to handle it and his ball-sac properly. When I was confident I knew what I was doing, he began to undress me.

First he unzipped my dress, placing a kiss on the nape of my neck as his hands pulled the fastener down. The touch of his fingers against my skin felt like little pin-pricks of pleasure, making my pussy clench and my thighs squeeze together involuntarily. As my dress slipped off my shoulders to the carpet I stepped out of it, acutely aware of having nothing on except my bra, panties, stockings and heels.

Martin stepped back to admire me and it felt like my whole body was blushing as he complimented me. My pussy throbbed as he explored my body, touching my breasts and nipples and even dipping into my panties to finger my clit. With care he removed my bra, and, cupping my breasts, he licked and sucked my nipples until I felt my pussy throbbing urgently.

At some point we tumbled onto the bed and Martin whisked off my panties. Stroking my inner thighs, he spread my legs, and then, pushing his face against my crotch, he began to lick my pussy, sucking and tongue-fucking it until I was so close to climax that I very nearly cried out. But Martin was much too experienced to let me come yet, and he eased off slowly so that I could still feel a lovely persistent throb in my crotch.

My skin tingled with anticipation as Martin squeezed some lube onto his fingers and rubbed it slowly into my labia. Explaining that this would help keep my pussy lips moist so he could ease his cock painlessly inside me, he worked the jelly inside my slit.

My breath came in little gasps as he finally nudged his cock-head against my virgin pussy, instructing me to grip his shaft and guide it to my pussy lips. I was very excited to do so and when I felt his bell-end nudging my lubricated labia, I held his shaft in position, so that when Martin thrust forward I managed to hold his shaft in position between two fingers, allowing him to penetrate me as deeply as he wished.

He was ever so patient and allowed me to move at my own pace, sliding his cock slowly in and then withdrawing it, over and over, until I

> **"MY SKIN TINGLED WITH ANTICIPATION AS MARTIN SQUEEZED SOME LUBE ONTO HIS FINGER AND RUBBED IT INTO MY LABIA..."**

started to relax. Once I was ready he shunted harder and deeper, pushing painfully against my hymen a few times before he broke through. I felt a sharp pain for only an instant before being caught up in the pleasure of the moment.

Now that Martin had broken through I also felt a huge feeling of relief and began to really enjoy myself. Once I realised it would no longer hurt I became more active. Each time Martin slammed into me I thrust my hips up to meet him and in no time at all I started to come off again and again.

It was glorious and I allowed myself free rein. Hard and fast Martin rode me, and I pushed my pussy back at him, meeting each thrust, all the time feeling his rock-hard swelling inside me. Until finally, just as I groaned and started to come for the umpteenth time I felt him jetting his warm semen inside me.

"EACH TIME MARTIN SLAMMED INTO ME I THRUST MY HIPS UP TO MEET HIM...."

……

Breaking up is hard at the best of times but when you are dumped on Christmas Eve, it puts a real downer on everything that follows. That was my Christmas – putting a brave face on for my parents' party, then making excuses for my now ex-boyfriend as he cosied up with some girl that had looked him up through social media. "Men can be such dickheads," my best friend Sara said, trying to console me. Apparently, he'd been trying to find 'the right time' to tell me that it was over and had been forced to tell me as he could only be in one place on Christmas day – and that place wasn't going to be with me. Sara's idea of consoling me had been to whistle me round the sales until my feet hurt and ply me with alcohol at every opportunity. My mind was a swirl and I didn't want to admit it, but the therapy was really working. However, the thing I was really dreading was midnight on New Year's Eve. It was the first time in years that I wouldn't have someone special to kiss and the idea scared me. "Don't worry about finding someone to kiss," Sara said. "If it comes to that, I'll snog you myself!"

Name: LISA
Age: 26
From: ANGMERING

As the final hours of 2013 slipped away, I must admit that I was having fun. The music was loud and we danced and partied as you should. Most of the loneliness had been washed away by seeing friends who I hadn't seen for ages and I was getting more than my fair share of male attention. Sara had made sure that word of my singleton status had got out and she had insisted that I show off some of my new clothes. I hadn't felt sexy enough to wear the white halter top with the cowl neck but there was no doubt that Sara had been right to make me wear it. "You look totally fab in that top," Sara shouted into my ear. "Your boobs look like they're about to escape at any moment."

"You shouldn't be looking at my boobs," I protested, but I knew that the top was emphasising every bounce of my assets as I danced. Although the material looked flimsy, my boobs were very well secured, much to the disappointment of various male members of the party.

As it got close to midnight, Sara's boyfriend appeared with a bottle of champagne and three glasses. "It's almost twelve O'clock," Nathan said. I hadn't realised that it was so close but suddenly everyone was counting down in unison, "10-9-8-7…" Sara wrapped her arm around my waist and pulled me close. "3-2-1, Happy New Year!" As promised, Sara turned to me and planted a big kiss squarely on my lips. I really hadn't thought about what she had said about my midnight kiss but with the alcohol flowing through my body, I went with it and kissed her back. It started as a bit of fun but an emotional explosion turned it into so much more and amazingly, Sara went with it. The fireworks exploding in the gardens outside were as nothing to the fireworks exploding in my body. After a week of emotional turmoil during which Sara had been my rock, it felt right to be intimate with her.

There was a ‘pop’ much closer than the exploding fireworks, a brief pause, then Sara winced. She shrieked and twisted away from me and as she escaped, I found out what had happened – Nathan had opened the champagne and the contents of the bottle was spurting out. He had the bottle between his legs and was using his thumbs to try and stop the flow of the escaping liquid. Even as I was being showered by icy-cold champagne, I was laughing for there was no denying that Nathan looked like he was fighting to control an ejaculating cock. Sara made a grab for the bottle, tipped her head back and let the flow of bubbles fill her mouth. Then it was my turn, except I couldn’t take the flow and shrieked as cold champagne poured down my body.

> “AS THE FORESKIN BECAME FULLY RETRACTED I RAN MY FINGER AROUND HIS PURPLE CROWN…”

“I think it was frozen,” Nathan explained, apologetically. I felt like I’d been on a Formula 1 podium. I was soaked, with my hair plastered to my head and the top which had been so alluring now clinging wetly to my boobs.

“I think we need to get out of these wet clothes,” Sara said, and I caught some unspoken communication pass between her and Nathan. I had an inkling of what might be about to happen and didn’t question why Nathan was needed as we headed up to Sara’s bedroom. It happened as soon as Sara shut the bedroom door. The fireworks became a background to my thundering heart as Sara looked into my eyes and started helping me to pull my wet top over my head. Sara’s dirty-blonde hair bobbed down and she lightly kissed my chest. “It’d be a shame to let all of that lovely champagne go to waste,” she murmured. It was an excuse to lick and kiss my body but one that I was more than willing to accept. “I wonder if any went down here?” I didn’t resist as Sara undid my jeans and tugged them loose.

My knickers came on display but that wasn’t all – Nathan’s fly was undone and his cock was towering into the air. Sara’s hand was already wrapped around it, stroking back and forth, encouraging the meat to even greater dimensions. As the foreskin became fully retracted, I ran my fingertip around the edge of Nathan’s purple crown with enough friction to make him shudder. Nathan reached across and gently felt my right breast. I sighed, not because of what Nathan was doing but rather because Sara’s mouth was sucking at my pussy through my knickers. Each action intensified: Sara pulled my knickers down and pressed her mouth against my bare pussy; Nathan leant over and sucked on my left nipple, chewing and pulling on it with enough intent to make me gasp and I wrapped my hand around his cock and started to wank him properly.

Sara stood up and kissed me lightly, giving me a taste of my own pussy juice. “I want to see something,” she said.

“What?” I gasped, as her fingers started rubbing between my legs.

“I want to see your face as my boyfriend slips his cock into you.” I wanted that too; wanted to feel the hot, hard cock that was in my hand inside my pussy. “But you have to do something first.”

“Anything,” I said, meaning it.

“You have to come for me.” That wasn’t going to be a problem as Sara’s fingers rubbed with increasing speed. It wasn’t just her fingers that made me orgasm, it was the shock of her filthy words. The final phrase was whispered into my ear as her fingers curled up inside me. “I want your champagne cunt to explode.” It did in a glorious fireball of ecstasy.

“Ooooh fuck,” I sighed, as my body melted over Sara’s down onto the bed, leaving my bottom sticking up in the air. The bed sagged as Nathan moved into position. I was a helpless but willing tool for him to use. Sara twisted my face so that I was looking into her eyes as Nathan filled me with his eager cock.

“Mmmm, I always love seeing sexy girls being fucked by my boyfriend but this is extra special.” The way Sara’s wrist was bashing against my belly as she masturbated told me how special she thought it was. “It feels good doesn’t it?” It did and I suspected that Sara wanted me to tell her exactly how good it felt as Nathan fucked me.

“I love the feel of your boyfriend’s cock inside me.” I emphasised the words and felt Sara’s breathing quicken. Her eyes took on a glassy appearance and her hand moved more and more quickly. “He’s filling me, filling my cunt.” Sara’s back arched off the bed at my use of the word ‘cunt’.

“Oh God, I’m going to come,” Sara whimpered. She twisted violently and groaned with the power of her orgasm, while Nathan pulled out and sprayed me for the second time. It was damn sexy to be the meat in an orgasm sandwich and I wondered whether we might be able to carry on, starting the New Year with a real bang but the fireworks had faded and we could hear voices in the room below us.

“So, how was that as the start to a new year?” Sara asked, as she gave me one of her tops to wear.

“Oh, you know,” I said, grinning. “Probably the best start ever!”

The DVD buying frenzy that is Christmas is all done and dusted, so now you're not obliged to buy stuff to give to people you barely see from one year to the next, what can you get yourself instead? Well might we suggest...?

FROM THE MAKERS OF BROADCHURCH
THE TUNNEL
"Stylish and Gripping"
"Perfectly Cast... Just Superb"

THE TUNNEL

What a year 2013's turned out to be for British crime drama, *Broadchurch, What Remains* and *The Fall* shone in the firmament, to name but three. Our schedules have been peppered with brooding and provocative crime scenes and tangled up police tape which we've been only to happily immersed ourselves in; busting forth with choruses of "It's him" whilst simultaneously flexing our index fingers dexterously at our wide and flat TV screens. Sound familiar?

The Tunnel, Sky's remake of the gripping Scandi-noir drama *The Bridge*, was always going to fuel furious ticking of the 'why bother?' box, especially so soon after *The Bridge* itself aired on BBC Four last year.

> "Hats off, firstly, to the irreproachable performances by the leads..."
> **The Ed**

Hats off, firstly, to the irreproachable performances by the lead actors; Stephen Dillane delivered his character Karl Roebuck with an edge of sophisticated grace, while Clemence Posey stepped up to the role of Elise Wasserman, the autistic and clinical lead investigator as the British and French police join forces when a murdered French Politician is found, her body creatively placed across the British/French boarder.

The co-production between French station Canal+ and Sky doesn't quite nail the full potential of the cross channel rivalries, but still delivers an atmospheric, pacey and tense watch. Its keeps you guessing with each new character, adding suspicion onto suspicion, only to have them cast aside in the next episode. As semi-pointless remakes go, this one's actually a bit of a winner!

THE THIRD MAN

"A BRITISH MOVIE MASTERPIECE"
THE THIRD MAN
A CAROL REED FILM
JOSEPH COTTEN
ALIDA VALLI
ORSON WELLES
TREVOR HOWARD

There are some films that can never really be shaken off. Carol Reid's post-war thriller still has so many elements about it that stand up brilliantly in the 21st Century, not least the scintillating zither score from Anton Karas, which once you've got it in your head will never leave you alone again.

Famously, Orson Welles, quite probably at the very height of his powers, (kind of) stars as Harry Lime, the low-life who's been pedalling sub-standard penicillin in war-torn Vienna, turning a buck from the misery and death of others, but then... he's actually hardly in the film at all. Rather the main drift is the search for him by his old chum Holly Martins (Joseph Cotton). Is Harry Lime dead? Well, it certainly seems so when Holly (why did so many men have women's names in those days?) pitches up in Vienna, but all is very far from what it seems...

Splendidly atmospheric, it captures perfectly the grimy feel of a Europe that was struggling to find its feet again after the trauma of WWII, and this nicely spruced up Blu-ray release from Studio Canal does the film proud. A timely reminder of just how great British cinema could be...

THE SELFISH GIANT

THE SELFISH GIANT
WRITTEN AND DIRECTED BY CLIO BARNARD
"BRITAIN HAS FOUND A NEW DIRECTOR TO BE PROUD OF."

Lovers of late Victoriana will doubtless recognise the title as that of an Oscar Wild short story – you remember, the one about the giant who walls off his garden so the kiddies can't get in and play in it, and then it snows all the time… Ahem, it's a bit of a heavy-going religious allegory, frankly, so this take on the tale is a most welcome and vibrant reboot.

The tale revolves around a couple of Bradford-based urchins (fantastically played by Connor Chapman and Shaun Thomas) who find themselves involved in the copper theft business, while at the same time getting mixed up in some (wonderfully shot) illicit horse and trap racing. Hats off to director Barnard – this is a truly affecting and memorable piece of film-making…

THE GREAT BEAUTY
PAOLO SORRENTINO
"A STUNNING PIECE OF WORK"

THE GREAT BEAUTY

There's something about Italian cinema, isn't there? They've got some sort of knack for it that gives their films an instantly recognisable flair, and every year it feels like they've produced another classic or two. This one, from director Paolo Sorrentino, garnered lots of fulsome praise when it his the big screen earlier on in the year (although it probably didn't make it to too many multiplexes, sadly), and now's your chance to catch it in the comfort of your own home. Toni Servillo plays Jep, an aging roué who's lived the high life (surely it's no coincidence that the film echoes *La Dolce Vita*) for donkey's years but who's now turning 65. Cue a change of pace as he starts wanders the city and reappraises the world and his part in it. Meditative and beautifully shot, this film has genuine charm and reaches the parts most other movies can't.

TOMMY

A film by KEN RUSSELL
Tommy

The Who's 'rock opera' was always well over the top, with bombastic, messianic songs about a blind kid who couldn't be beaten at pinball. Really, what were they thinking of? Still, thanks to the strength of the songs the album was a smash, and when the time came for a film adaptation, who better than the never less than over the top Ken Russell to helm it? Roger Daltrey plays (not so) young Tommy, who in between flicking silver balls around has run-ins with the likes of Oliver Reed, Jack Nicholas and Robert Powell. Throw in top musicians like Clapton, Tina Turner and Elton John and this new Blu-ray release has got plenty going for it…

ROYAL MAIL
THE GREAT TRAIN ROBBERY

THE GREAT TRAIN ROBBERY

A full 50 years after it actually happened, there's still something about the Great Train Robbery that exerts a hold over the British psyche. Was it the audacity of the crime itself, the fate of the blaggers who pulled it off, or the feeling that justice was never quite done, somehow? Either way, this Christmas saw the airing on BBC 1 of this rather classy little recreation of the whole thing, with two 90 minute episodes concentrating on the crime itself and then the police investigation. Luke Evans, Neil Maskell and Jack Gordon are among the crims, while dear old Jim Broadbent stars in the second part, in which the plod gets its arse into gear. Quality telly, and deffo worth a shufty if you missed it last month!

MAYFAIR Movies

A little bit of everything this month - Euro lesbiary, Vegas nonsense and a porno parody of a film surely none of us ever wants to see again! Mind you, most porno parodies are more interesting than the original!

CLUB PINK VELVET – FILLING THE SLOTS

Viv Thomas

CAST: Lana, Betty, Eve Angel, Cindy Hope, Blue Angel, Brandy Smile, Nicole Smith.

Girl on girl action! Ten ghastly bull dikes in Parkas tuck into one another's furry cups in tents outside US nuclear bases on Greenham Common 30 years ago.

Sorry, sorry… I was thinking of a film from my own collection, which ends with a baton charge by police. It was the "ten lezzers go at it" theme that confused me. No, this is a typically fine Viv Thomas production in which 10 truly gorgeous babes indulge in a series of supremely sexy Sapphic encounters, That's right: the kind of rug-munchers men like and who couldn't give two hoots about intercontinental ballistic missiles.

Cindy Hope and Madlin Moon flirt shamelessly with each other as this class of lesbians will. Whereas in my Greenham Common video they slobber and wrestle on groundsheets clad in nothing but gumboots, Cindy and Madlin snog and roll around in fishnet stockings.

Nia Black, meanwhile, poses on a chair in her bra and knickers when Vanda Lust skips into the room and treats her to a lap dance. One thing leads to another as it will where porn performers are concerned and they end up locked in a 69, from which, at one point, given the confusing mess of limbs they got into I was doubtful whether they would be able to escape.

You'll be glad to know they did, and so did several of my seed before this film was out.

The Ring
With This Ring I Thee Bed

★★★☆☆

An ultimately bewildering yet strangely hypnotic blend of Vegas Wedding farce, hot sex and hopeless codswallop where somebody loses the wedding ring, guys say things which are supposed to be funny, fit girls gobble knob and get rammed up the South-West passage, and everyone winds up either sporting a facial or walking like they only recently dismounted from a grossly overweight horse.

It's also a sort of a half-arsed road trip through Nevada, with blokes having their sumps drained orally in fast cars by their ex-girlfriends on their way to bail a lowlife out of jail.

Kaylani Lei is in her element as a woman who is inexplicably fucked insensible every few minutes, while Gia DiMarco gives wicked head, as they say in Sleepy Hollow, Samantha Saint excels in the challenging role of a stripper who likes to grind mounds with others of her own gender.

Special mention is also earned by the happy couple, Vegas bride and groom Rilynn Rae and T.J. Cummings, who assume almost every sexual position conceivable in the course of their freakishly intense nuptials. In addition to a lot of stuff I didn't recognise I spotted I spotted doggie, bow and arrow, cowgirl, reverse cowgirl, cowgirl in neutral, and parked.

Digital Playground

EROTICO

CAST: Monique Alexander, Stoya, Jordan Ash, Dani Daniels, BiBi Jones, Bonnie Rotten.

DP DIGITAL PLAYGROUND
EROTICO

This is the true story of Erotico, the dashing metrosexual Mexican bandido, who in the late 19th century, rode up and down the American border knobbing and arsing the unwary until legendary US lawman Bat Masterson finally shot him down like a rabid chinchilla on the streets of Guadalajara.

All right. It isn't. It's a mucky DVD composed of five artistic, supposedly gentle sexual vignettes intended to be watched by couples cuddling on the sofa, holding hands. So good luck with that, especially during the candlelit anal plundering segment. I'm sure the missus will love it, and may even offer to drive you to the Accident & Emergency afterwards.

Superb camerawork and realistic sets complement promiscuous performances by emergent tattooed porn superstar Bonnie Rotten in a boxing-themed scene and BiBi Jones getting greased up for Bill Bailey (made over to look elegant) who, grunting softly, gently and artistically empties his testicles all over her arse.

The little storylines are charming in their naivety. Bow-legged ballerina Stoya is deeply saddened by something nebulous and is pondering over a music box with a twirling miniature ballet dancer in it when James Deen pounces and comforts her with his saucy sausage and pulsing twin King Edwards.

★★★★☆

A pornographic "reimagining" (that frightful new buzzword again) of the (s)hit musical starring Olivia Newton John (also known as Elton) and John Travolta, stage name Henry Winkler, a.k.a. "The Fonz".

The piece is set, like the original, which featured Fonzie as a 26-year-old high school pupil in a duck's arse haircut and leather jacket, in high school, with knobsmith Seth Gamble standing in for Mr Travolta, and improbable stunt-minge Riley Reid portraying Sandy, the shy "new girl" who has never had her knickers round her neck – the role played by Elton in the film.

Though there are many moments of merriment, the shagging is nothing short of ferocious, and, just so long as you remember that all these school pupils are supposed to be 18 or over, PERFECTLY LEGAL AND NOTHING TO WORRY ABOUT.

And yes, before you ask, this is indeed a musical. The songs have all been re-written, with the exception of Sandy's loathsome Hopelessly Devoted To You, to which good riddance anyway.

Well, we all know the story. The Fonz eventually gets together with his true love Sandy, with everyone singing (something along the lines of) "Well-a-well-a-gobble-glug! / Tell me more tell me more / Did you get to first base? Tell me more tell me more / Did you spunk in her face?".

Truly capital entertainment for the todger.

I won't tell you how often I came off. This time I am going to make you guess.

CHARLOTTE

After her debut in *Mayfair* last month our legal lovely Charlotte Langley (36C-24-36) had a bit of a surprise when she went in to work the next morning.

"Everyone at the office had heard about me being in *Mayfair* and had completely covered my desk with the photos! They must have bought at least ten copies! When I said I had another shoot coming up my boss gave me the day off — on the one condition he could come along and watch. He was so impressed he said he couldn't wait to get me back to the office to give me a big raise."

And what sort of raise would that be, we wonder? Judge for yourself... Ⓜ

MAYFAIR Classic

Holey moley – when we first clocked this spread we thought Charlotte must have been some sort of rare animal smuggler who's been caught red-handed with some sort of rodent down her undies… but no, that's her spadger! It's been quite some time since we've seen an example quite as fulsome as that one, but there's definitely something to be said for Charlotte's retro look, isn't there? Imagine snuggling up with that on a chilly winter's night…

CELEBRITY MUSICAL CHUFFS

SEX DEGREES OF PARIS HILTON

It's a safe bet that anyone satirised in a celebrated *South Park* episode as opening a chain of trendy clothing stores called "Stupid Spoiled Whore" for young girls is preceded by a rather odious reputation as an appalling role model.

And lest anyone remains in any doubt on that score, there's always the matter of the "accidentally leaked" sex tape *One Night In Paris* which made Paris Hilton, heiress to the Hilton Hotels dynasty, an overnight global celebrity. In short, Hilton epitomises the concept of being famous for its own sake, the very definition of the "celebutante", a celebrity who rises to fame merely because of their inherited wealth and controversial lifestyle.

In addition to rumoured flings with actors LEONARDO DICAPRIO and JARED LETO, Paris has been engaged to and nearly married numerous persons in the public eye. In her early 20s she was engaged to actor and Tommy Hilfiger model JASON M SHAW. Indeed, it is Jason who co-starred in *One Night In Paris*. Next up (her), so far as anyone knows, was NICK CARTER, American singer-songwriter, and dancer, best known as a member of the pop group Backstreet Boys. Then Paris turned her eye on Greek shipping heir and socialite PARIS LATSIS.

After him came DOUG REINHARDT, an American baseball player, sports agent and television personality. Paris began dating Reinhardt in February 2009 after numerous run-ins with the law. She even referred to her intention to marry Reinhardt, saying "He's gonna be my husband."

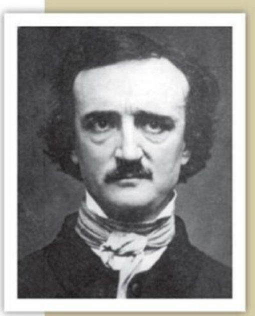
The couple split in June 2009, only to get back together again in August of the same year. THen they split again in April, 2010.

As for Paris, her last reported squeeze was BENJI MADDEN, an American guitarist and backup vocalist for the band Good Charlotte.

In this MONTH

In 1809: Edgar Allen Poe, the legendary poet and writer of mystery and suspense tales, is born in Boston, Massachusetts. His many works will include *The Fall of the House of Usher, Tales of the Grotesque and Arabesque, The Murders in the Rue Morgue* and his famous poem *The Raven*. He will later be played by John Cusack in the lame 2012 thriller named after said poem, bounding around solving murders inspired by his stories sporting a beard and a pistol.

Also in 1809: Louis Braille (died 1852) is born in France. Blinded as a boy, he will overcome his disability and invent a reading system for the blind using punch marks in paper so that he can read the works of Edgar Allen Poe.



In 1879: The Zulu War begins between the British and the natives of Zululand, ultimately resulting in the destruction of the Zulu Empire and a memorable movie role for the young Michael Caine some 90-odd years later.

In 1938: King Juan Carlos I of Spain is born in Rome. Although chosen by fascist dictator Francisco Franco to inherit his dictatorship, when he is sworn in as monarch in November, 1975, only two days after Franco's death, the new King will immediately announce his intention to mould Spain into a broadly-based democratic society. Up yours, Franco, you dirty old blueshirt.

FAMOUS LAST WORDS

"It's stopped."

Etiquette for the BEWILDERED

An A-Z of things you really, really need to know. No honestly...

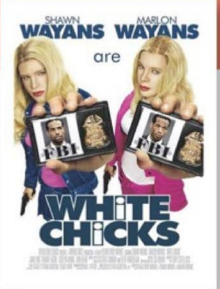
Dancefloor Banking is a marvellously descriptive term for drunken online banking withdrawals to release more funds to continue a night of partying or club-crawling. The unnecessarily extravagant amounts withdrawn and pissed against walls are invariably regretted the following morning – and for weeks afterwards.

Other intriguing nouveau concepts and descriptions related to financial matters include such things as the so-called Alzheimer's Purchase. This is where you buy something online that takes so long to be delivered that you had forgotten you ever ordered it in the first place.

D IS FOR "DANCEFLOOR BANKING"

LUDICROUS MOVIES

Some movies and movie franchises are just so preposterous that it's a wonder most people don't start leaving the cinema after the first five minutes, or else attack the screen with baseball bats and machetes… My goodness. have we been spoiled for choice with ridiculous movie plots recently, or what? Here are three particularly appalling ones:



SOURCE CODE (2011)

Enjoyable sci-fi nonsense in which helicopter pilot Colter Stevens (Jake Gyllenhaal) must keep returning to a train-based crime scene via state of the art "Groundhog Day" technology to discover the culprit behind the train's bombing. After talk of a military accident, Stevens is revealed to be a barely-conscious torso wired up to machines which are what facilitate his returns to the railway crime scene. When his mission is over, however, he finds (ludicrously daft plot twist spoiler alert!) that his imaginary actions on the mission have created an alternate reality in which he has all his limbs back and the love of a hot chick he picked up on the train. Eh?!?

3:10 TO YUMA (2007)

Western which sees one-legged family man Dan Evans (Christian Bale) transporting evil criminal Ben Wade (Russell Crowe) to the titular 3:10 train to Yuma prison. On their trail is Wade's fellow gangs member Charlie Prince (Ben Foster), who – along with a crowd of vicious gunslingers – finally corners Evans at Contention train station, leaving him trapped and Wade free to go back to murdering people for jolly.

Instead, after Prince drops Evans with five bullets to the heart, Wade changes all his beliefs in a split-second, feeling so sorry for a man he's just met that he decides to polish off his entire crew and ride off in the train to Yuma prison after all. Come again?

LOCKOUT (2012)

A man (the often admirable Guy Pearce) rescues the President's snooty kidnapped daughter from space prison, which has been taken over by the prisoners, who are led by two psychopathic Scottish brothers. Hmm, actually, that one makes a lot of sense…

WHITE CHICKS (2004)

Two black FBI agents (the Wayans brothers) dress up as white teenage socialites in order to protect a pair of hotel heiresses from being kidnapped… by pretending to be them. And why not a couple of black guys, eh?

On Sale February 7th

Hmm, it's taken a while, but we're starting to get our heads round the idea of us being in our 49th Volume now. So we reckon we owe it to you lot to keep the standards sky high all the way through until we can celebrate the sexiest half-century ever? Don't believe us? Well here's a little foretaste of what we've got lined up for next issue – the spectacular Spencer Scott and the stupendous Sophie Starr. Alliteration, anyone?
